

## **Children's Ministry Team Meeting**

### **Minutes**

Here are the minutes from our Oct 1 Children's Ministry Meeting. Our next meeting will be Wednesday, December 3rd at 6:30 PM. It is my plan to start Christmas Program practice on November 5 at 4:00 PM in K-5 Alive. We will use the whole hour, if we need it.

Rhonda Smith, how are we getting the word out about this program and pulling in the children that are not in K-5 Alive. One that comes to mind is Carsyn Vincent, and of course, the four-year olds, MS & HS students. Please include me in any correspondence with this, such as the recruiting of the speaking parts, etc.; so that we can all be on the same page and know what is happening. Thanks.

Also, Linda Clement was in my office today and asked about the snowman on my desk. I will gather some heavy-duty water bottles and buy a package of children white tube socks to make some of the water bottle snowmen for the Fall Bazaar. These would actually be less work for the children. The sock is simple pulled over the water bottle and tucked into the opening. We will make a few of each....the water bottle, the Pringles Can and the Oatmeal snowmen. I'm still short on fleece material for this project. Surely somebody has some scrap pieces of fleece out there. The scarf is literally a small 1"x 12" piece and the hat is something like 5"x 12".
