

# Family Ministries Report

## 2015 Events:

March: Family Ministries partnered with the Serving Team for the Skating Party to support foster & adoptive families in our community. Our church family were also invited to participate. The Serving Team served a meal to all who attended. Family Ministries paid to rent the skating rink and offered a photo booth for families.

July: Family Ministries partnered with Children's Ministry to host a swimming party to end the VBS week. A portion of the budget was used to rent the swimming pool and pay for life guards for the event. Each family was asked to bring a snack to share.

August: Family Ministries partnered with the Serving Team to provide a swimming party to support foster and adoptive families in our community. Our church family were also invited to participate. The Serving Team served a meal to all who attended. Family Ministries paid for the rent and life guards.

October: Family Ministries held a Hayride and Hot dog roast hosted by the Hackman family at their farm. We are thankful they are willing to host this annual event and it has been enjoyed by our congregation of all ages. We appreciate the donation of hot dogs by Sherwin Dent for the event.

The remainder of the 2015 budget will go towards a parenting class.

**Budget request for 2016: \$1400**

Respectfully submitted,  
Karen Butner
