

**Sharing Team
Monthly Meeting Minutes
Tuesday, June 9, 2015**

Members Present: JoVaughn, Tammy, Tanya, Marsha, Meghan, Nancy, Sandy

Old Business:

1. Greeter Sign-Up: Remember we will sign up greeters for 2 weeks. Need someone to sign up greeters for August and September. June is Colleen and July is Nancy. August – JoVaughn / September – Tanya.
2. The Flywheel is July 23, 24, and 25. We will make final plans at the July 14th meeting. We discussed what to give away at our table. We plan to give pens, cross in pocket bags, candy, kid's DVDs and Bibles. We will also give a \$50 gift card and will decide at the next meeting what type. Suggestions were Special D's, grocery store, Walmart or Chamber of Commerce. Tanya suggested we make up some type of bag to give everyone. Tammy suggested we use the same type of bagged items we gave when we went canvassing. Tammy and Sandy will check the supply closet Sunday to see if we need to order anything else. Pens have already been ordered and received. They will also stock the first time visitor's gifts in the cabinet in the Fellowship Room.
3. Team Worksheet from Meghan. We had some discussion last month, but due to small number of members present we thought it needed more work. Meghan explained further how she intended the worksheet to be used. During the discussion that followed we felt that one of the most important ministries of the Sharing Team is signing up greeters. We will be working on a ministry profile (job description) for greeters as well as planning some type of training to enhance the scope of what the greeters do. We want this ministry to be more than handing out bulletins at the doorway. We want each and every person who enters to be greeted and made to feel welcomed. We also thought greeters should know where certain things are kept; such as the first aid kits and where the nursery, restrooms, etc. can be found. The Sharing Team is going to begin with our team members and later train more volunteers for this ministry.

New Business:

1. Members to celebrate with: Colleen's birthday is June 24th.
