

**Sharing Team  
Monthly Meeting Minutes  
Tuesday, September 8, 2015**

Members Present: Tanya, Meghan, Sandy

Opening Prayer: Anger Prayer by Dr. Charles Stanley

**Old Business:**

Sandy is going to sign up greeters for October.

Plans for greeter training continued. Some of the items we discussed were:

- Greeters need to know where to find important things; such as: first aide kit, nursery and restrooms to name a few.
- Greeters should ask someone else to help guests who need to find something and not leave their post.
- Greeters need to know where to stand. In good weather, standing outside in the courtyard would be a good idea so that you could greet folks coming in both doors. In the doors leading in from the Fellowship Hall greeters should stand inside the doors beside the sound booth so as to facilitate traffic flow.
- Greeters should point out first-time visitors to the Sharing Team members so that they may be greeted and given visitor gifts before the service.
- Greeters should be given some guidelines as to what to say and how to greet guests.
- Greeter volunteers should be mailed or called to remind them when it is their Sunday to help.
- The Sharing Team is going to review some websites for more ideas.

The greeter training discussion will continue at the next meeting.

**New Business:**

We also discussed rethinking the direction and purpose of the Sharing Team. Are we fulfilling the purpose as stated in our Mission Statement? Do we need to refocus and rethink our activities? This discussion will continue at the next meeting.
