

Growing up in today's world is tough. Youth and children must be able to face this reality and live with purpose, hope, faith, and joy. We believe passionately that these qualities of life are uniquely found in a relationship with Jesus Christ. MUMC's LOGOS ministry exists to foster this relationship.

Logos is built on a foundation of community, learning, fun, and calling. We will operate with only one rule: "Every person is a child of God. No one is to treat others as if they do not matter!" This rule applies to our life away from the church as well. We hope this program will be a piece of the way we change and transform lives in and outside of our church.
